The Meeting approved the Board's proposal regarding principles of remuneration for Group Management and the Board's proposal for a resolution on SKF's Performance Share Programme 2010. The programme covers not more than 310 senior managers and key employees in the SKF Group with an opportunity to be allotted, free of charge, SKF class B shares. Under the programme, not more than 1,000,000 shares, corresponding to around 0.2% of the total number of outstanding shares, may be allotted. The Meeting authorized the Board to decide upon the repurchase of the company's own shares for the period until the next Annual General Meeting. The authorization concerns shares of series A as well as series B.
