A prerequisite for obtaining an allotment is that the Board member is elected by the General Meeting and is not employed by the company.

When deciding upon the variable allotment, (i) the number of shares shall be determined by dividing the amount of SEK 400,000 and SEK 137,500, respectively, with the average latest payment rate of a share of series B according to the quotations on the NASDAQ OMX Stockholm AB during the five trading days immediately following the day on which the share is traded without any right to receive dividend for 2012 and (ii) the value of a share of series B in the company shall be determined at the average latest payment rate according to the quotations on the NASDAQ OMX Stockholm AB during the five trading days after publication of the company's press release for the financial year 2012.

The following Board members were re-elected: Mr Leif Östling, Ms Ulla Litzén, Mr Tom Johnstone, Ms Winnie Fok, Ms Lena Treschow Torell, Mr Peter Grafoner, Mr Lars Wedenborn, Mr Joe Loughrey, Mr Jouko Karvinen and Mr Baba Kalyani.

Mr Leif Östling was elected Chairman of the Board.

The Meeting approved the Board's proposal regarding principles of remuneration for Group Management and the Board's proposal for a resolution on SKF's Performance Share Programme 2012. The programme covers not more than 310 senior managers and key employees in the SKF Group with an opportunity to be allotted, free of charge, SKF B shares. Under the programme, not more than 1,000,000 shares, corresponding to around 0.2% of the total number of outstanding shares, may be allotted. The number of shares that may be allotted must be related to the degree of achievement of the TVA target level, as defined by the Board, for the financial year 2012, and the TVA development for the financial year 2014 compared to the financial year 2012.

The Meeting authorized the Board to decide upon the repurchase of the company's own shares for the period until the next Annual General Meeting. The authorization concerns shares of series A as well as series B. The total amount of shares that can be repurchased, at the most, is so many shares that the company thereafter holds a maximum of 5% of all shares issued by the company.

The Meeting approved the proposal presented regarding the Nomination Committee.
