Shareholding: 0

Independence in relation to the company/senior management*: No (after assuming the position as CEO)

Independence in relation to major shareholders of the Company*: Yes (after resigning from FAM AB's board)

The Nomination Committee's statement regarding the composition of the proposed Board of Directors and the proposed remuneration.

The Nomination Committee's view is that the proposed composition of the Board of Directors provides the Board with a wide knowledge and diversity and sound experience both from the segments and markets where the Company is conducting its business and in sustainability matters.

The Nomination Committee has, as regards the diversity policy for the Board, applied the rules of the Code and has therefore based its work on that the Board is to have a composition appropriate to the company's operations, phase of development and other relevant circumstances. The Board members elected by the shareholders' meeting are collectively to exhibit diversity and breadth of qualifications, experience and background. The Company is to strive for gender balance on the Board.

The Nomination Committee has conducted an evaluation of the fees payable to the Board members. The basic underlying principle of the directors' fees is that the remuneration shall be reasonable and competitive enough in order for SKF to attract members with high skills and experience in a global market. The compensation shall also reflect the responsibilities and the time which the directorship entails. The Nomination Committee proposes that the remuneration is adjusted as set out in the proposal to the Annual General Meeting 2021.

The Nomination Committee's proposal for election of auditor

The Nomination Committee proposes that, in accordance with the Audit Committee's recommendation, the registered firm of auditors Deloitte AB is elected as auditor for a period of four years until the close of the Annual General Meeting 2025.

Reasoned statement regarding the Nomination Committee's proposal for election of auditor

The Board's Audit Committee initiated a tender process in 2019 in order to recommend a new auditor to be elected at the Annual General Meeting 2021. The Audit Committee has concluded that Deloitte and PwC are the two auditors best suited for auditing SKF. In an overall assessment, Audit Committee's assessment is that Deloitte is in the best position to fulfil SKFs requirements and needs, in particular when it comes to the team and way of working. The Nomination Committee therefore recommends, in accordance with Audit Committee's recommendation, that Deloitte is elected as auditor for a period of four years to the end of the Annual General Meeting 2025.

How the Nomination Committee has conducted its work, Rules Statement

At the Annual General Meeting of AB SKF held in March 2020 it was resolved that the Company shall have a Nomination Committee formed by one representative of each of the four major shareholders with regard to the number of votes held as well as the Chairman of the Board. In a press release dated 25 September 2020 it was announced that a Nomination Committee had been appointed consisting of Marcus Wallenberg from FAM, Anders Jonsson from Skandia, Anders Algotsson from AFA Försäkring, Evert Carlsson from Swedbank Robur Fonder, and the Chairman of the Board, Hans Stråberg.

Marcus Wallenberg was elected as chairman for the Nomination Committee. The Nomination Committee has held three minuted meetings.

The task of the Nomination Committee has been to furnish the Annual General Meeting 2021 with proposals regarding Board of Directors, Chairman of the Board of Directors, fee for the Board of Directors, auditor, fee for the auditor, Chairman of the Annual General Meeting, and to the extent deemed necessary, proposal for revisions to the current instruction for the Nomination Committee.

As regards the election of the Board of Directors, the Nomination Committee has, based on the evaluation of the work of the Board made by AB SKF's Board of Directors, assessed how the current Board meets the requirements that will face the Board of Directors and what further competencies that may need to be added to the Board. The Nomination Committee has, as in previous years, interviewed/contacted members of the Board of Directors.

The Nomination Committee's proposals for Board of Directors, Chairman of the Board of Directors, fees for the Board of Directors, auditor, fee for the auditor and Chairman of the Annual General Meeting, were published through the notice of the Annual General Meeting 2021.

The Nomination Committee has concluded that it does not consider it necessary to propose any revisions to the current instruction for the Nomination Committee.
